SIRR

Stronger, more resilient and sustainable rural areas with higher capacity of local innovation and smart specialisation

Local cohesion is stronger and acts as alternative to urbanisation. Local hubs connect companies, associations and citizens to the regional innovation ecosystems and green transition.

SIRR

SUSTAINABILITY

Increase skills regarding sustainability, green transition, circular economy and social values

INNOVATION

Foster local innovations in rural areas by bringing the regional innovation eco-system to local hubs

RESILIENCE

Unlock potential of local smart specialisation and ensure a diversified local structure. Existing hubs act as hosts for local smart specialisation

RURAL AREAS

Multi-Helix to retain talent, increase local cohesion, innovation and entrepreneurial skills
