DARKER SKY

THEMATIC PRIORITY:

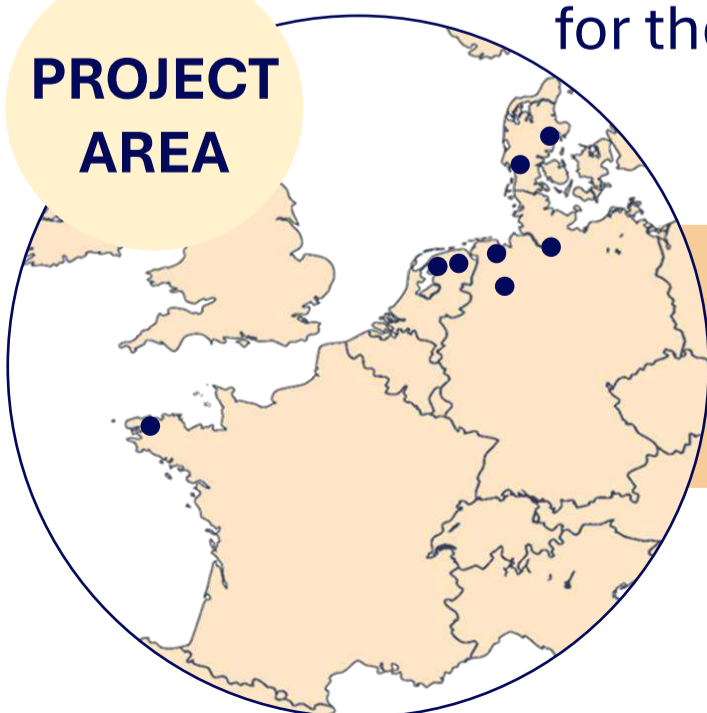

CLIMATE RESILIENCE,
BIODIVERSITY
AND POLLUTION

© Peter Tulnermelkweg/Waddenagenda

Protecting nature with new lighting solutions

Reducing light pollution and increasing **biodiversity** and **ecological connectivity** in the North Sea Region by providing municipalities and ports with innovative measuring, monitoring and co-design methods for the implementation of **environmentally sound** and **cost- and energy-efficient light reduction**.

PROJECT
AREA

April 2023
October 2026

Total budget
€ 4.216.620

ERDF
co-financing
€ 2.529.972
