

ADVERTISE YOUR HOMECARE PRODUCTS AND SERVICES:

Promote innovation by joining the ACE Platform!

The ACE Platform provides a vibrant space for companies to advertise homecare products and services, increase their visibility internationally, and connect with a community of homecare solution providers and caregivers, while staying informed about the latest innovations in the North Sea region.

Eligibility:

- The company **must be located in one of the North Sea regions** (see [the list of eligible north sea regions](#))
- **Homecare solution relevance:** The company's proposed product or service **must be directly related to homecare and should address the needs and challenges** faced by older adults, caregivers, and home care.

Why join the ACE community platform:

- **Showcase your solutions and services** to a targeted audience of care providers in the North Sea Region.
- **Community connection:** Engage with a vibrant community of care providers and companies in the North Sea Region, fostering collaboration and knowledge-sharing.
- Stay informed about the latest advancements in homecare.

How to register:

- Visit the ACE Platform: <https://www.b2match.com/e/interreg-ace-project>
- Register for free by following **the step-by-step registration manual [here](#)**.
