

Upscaling activities - Province of Utrecht ShareDiMobiHub

PROVINCIE  UTRECHT

Thematic meeting 'Shared
Mobility Market'

Upscaling activities

Goal: Create a more regional system that can be used across municipality borders and evolves in line with the Dutch national program for shared mobility

Activities:

- Workshops to increase knowledge base level
- Study on needs and possibilities for hubs in different municipalities
- MaaS-integration in public transport concession
- Mobility advisors to increase car sharing adoption
