

(Cargo) bikes

Not a lot of interest in sharing private bikes

- Focus on non-standard bikes
- Support in finding users
- More concrete information

Promotional material

Collaboration with City of Bruges: sharing adapted bikes

Modify the available bike categories
→ easier to find bikes on map

Sharing of private vehicles

cozy wheels

by Mpact

Collaboration with real estate developers

Difficulty: often only because of own advantage or regulation

Analysis of co-ownership

Next step: communicating

- Follow-up cohousing projects
- Attracting new cohousing groups

Cohousing
