INTERNSHIP PROJECT MANAGER'S AND DATA/DIGITALIZATION ANALYSTS 2023-2024

Ellen W. Bjerå

Linnea Johansen

PROJECT MANAGERS

Ellen and Linnea contributed during their internship with the planning, execution, and reporting of fieldwork related to the islands of Hvaler, Schiermonnikoog, and Bornholm. Their work resulted in nine reports (White Papers) in Activity 4.1 Student Sustainable Entrepreneurship, as well as a bachelor's thesis.

2024-2025

**Jenny Louise
Helt**

**Sofie Guldberg
Gretland**

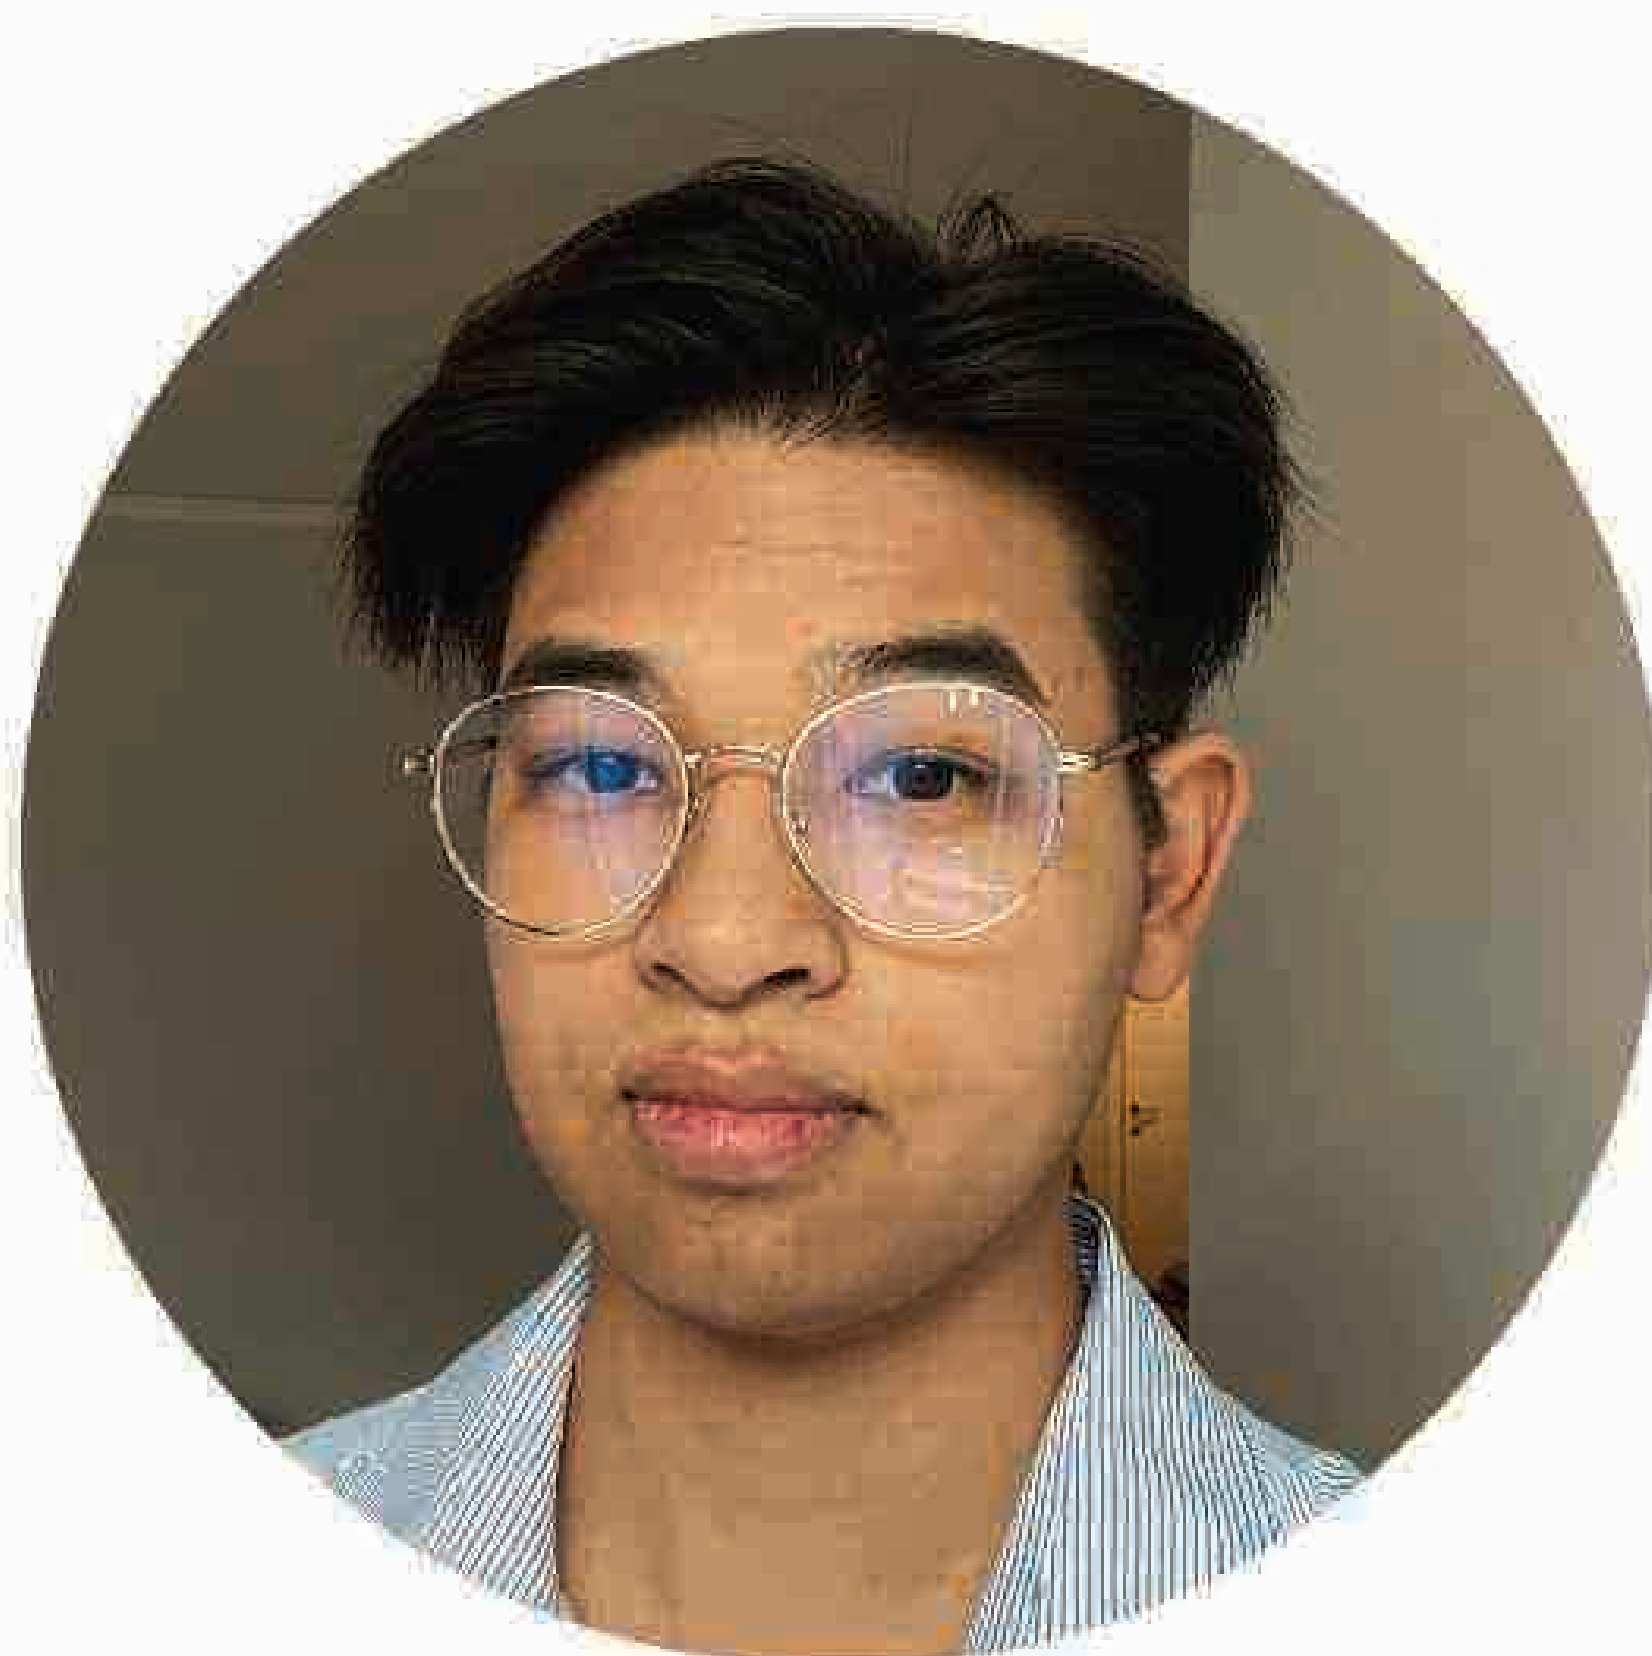

**Patrick Kakis
Gabrielsen**

PROJECT MANAGERS

DATA/DIGITALIZATION ANALYST

During Jenny and Sofie's internship period, they initiated a collaboration with Patrick. Together, the three contributed to the planning, execution, and reporting of the fieldwork on Koster, Groix, and Ouessant, as well as the testing and use of ChatGPT in the analysis work. The work resulted in 12 reports (White Papers) in Activity 4.1, as well as 20 Venture Plans and one bachelor's thesis.

2025-2026

**Grim Henriksen
Langsholt**

**Thai Uy
Tran**

**Sander Talseth
Holm**

PROJECT MANAGERS

DATA/DIGITALIZATION ANALYST

Thai and Grim have worked on Activity 4.3: Inter-Island Product and Brand Development. Together with Sander, they developed 11 IIP&BD reports and further advanced the use of AI. They also produced a Strategies and Action Plans report, jointly developed with partners from the various islands.
